KAWAMURA Kiyoo and TERASAKI Takeo studied in Italy before WWII. Back in Japan, KAWAMURA created and left such unique works of oil painting on Byobu (folding screens), Shikki (lacquerwares), and boards. This Exhibition displays his reproduction of "Veronese" restored by Aichi University of the Arts, and also displays the process of the restoration.

## Meguro Children's Exhibition

We will display works by children and students in kindergartens, elementary, and junior high schools, in Meguro; works of "touts de force - an amazing accomplishment" of the children, including craftworks, artwork, calligraphy and others worked on in class. You can feel the richly expressed emotions and ideas. They convey the creative urges and surprises found through the honest eyes of children. We also plan to exhibit the works by the children from the sister-cities overseas.

## OKADA Kenzo : Paris, Meguro, New York

**February 21 (Sat) – May 10 (Sun), 2026 [TBD]**

OKADA Kenzo is a painter who has lived in the art worlds of two cities, in Paris in the 1920's and in New York after the 1950's. He created his atelier in Jiyugaoka, Meguro City, in 1929. This Exhibition features the period of OKADA when, after his New York years, the artist gradually moved towards "abstract" style and established his own style of combining light-color surfaces. We would like to unravel the process from his two study-abroad experiences.
